Disclaimer: This document is a marketing communication prepared by DenizBank AG for non-binding information purposes only. The information contained herein does not constitute a recommendation to buy or sell financial instruments or investments or an offer or invitation to make an offer. The information is of a general nature and does not take into account the individual needs and personal circumstances of potential investors. Investments may result in tax obligations that depend on the respective personal circumstances of the investors and may change retroactively and in the future. The information, analyses and forecasts contained herein are based on the state of knowledge and market assessment at the time of preparation - subject to changes and amendments. This information can neither replace individual investment advice (which is not offered by DenizBank AG) nor advice from a tax advisor. It is expressly pointed out that financial instruments and investments sometimes harbour considerable risks. Please note that investments on the capital market may be subject to market-related price fluctuations, both upwards and downwards, and may even result in (total) capital losses. Errors and misprints excepted.
